Customized Business Financing

Since 1995, Capital Lending Corp. has been creating value by arranging the most appropriate financing according to the circumstances of our clients. These circumstances may include: less than perfect credit, unsubstantiated income and other unique situations. We are not locked into just one set of programs. Highlights of some of the available programs are listed below. Additional exciting business, commercial and residential programs are also available. CLC has sources that have no maximum limit on the funds than they can provide for qualified clients.

Business Financing

- Mergers and Acquisitions
- Working Capital Loans and Lines of Credit
- Loans for Account Receivables, Inventory and /or Purchase Order Financing
- Equipment Loans and Leases
- Asset Based Lending
- Venture Capital
- Start-up and Expansion Financing
- Infrastructure Financing
- Alternative Energy Financing
- Loans for New and Established Businesses
- Trade Financing

We offer professional consultations at no cost or obligation. There are restrictions associated with any financing program. Please contact us about any financing situation.
