## BE EMPOWERED

**Powered by 2Excel**, the eNetwork is a membership-based network designed to help you achieve your personal, professional and business goals. We are known for our empowerment events, educational trainings and employment/contract opportunities. Employment and income opportunities are made available through our business and affiliate members that come to us seeking access to trained and qualified individuals to join their team, company or project. We look forward to having you be a part of our network.

### **The Vision of 2Excel's eNetwork:**

Our vision is to become a global resource for talent development and management for independent professionals. A place where organizations, corporations and businesses will come first to find individuals that are trained in excellence, ready for hire.

### **Our Mission:**

To equip people with proven entrepreneurial principal based training and business skills that helps them to become higher achievers, higher performers and overall more prepared for a successful career as an independent contractor or employee.
