

Dear Member of the U.S. Reinsurance Under 40s Group,

We are well into planning our next annual U.S. Re Under 40s Group Tour. The tour will take place in London, England on Sunday, April 28nd – Friday, May 3rd 2019.

As many of you are aware, this will be the eighth annual tour for the Re Under 40s Group! Previous tour locations have included:

- Bermuda – 2014 & 2017
- Miami/ Cayman – 2016
- London – 2012 & 2015
- Zurich/Munich – 2013 & 2018

The tour has proved to be a wonderful educational and networking experience, and this year's trip promises to be no exception. You can learn more about last year's Tour in the Zurich/ Munich Tour Report, which can be downloaded [here](#).

We are very excited about the 2019 Tour! We are still finalizing our agenda, but you can expect presentations from the best in class companies; covering a wide variety of topics. So far, we have the following companies that have confirmed their participation Guy Carpenter, AON, Hiscox Re, QBE, Trans Re and London Re Under 35.

The Tour will provide a great opportunity to learn about the (re)insurance marketplace in London and connect you with new and existing industry members.

The following is a summary of pertinent information related to the 2019 Tour:

Attendance will be limited so please contact us at tour@reunder40s.org if you are interested in joining the tour! Please only email us if you are confident at this point that you will be able to secure funding for the Tour. Everyone who has attended the Tour in the past found it to be a worthwhile and invaluable experience.
