Dear Sir/Madam

### Highway Resurfacing Works – Aldersgate Street/Goswell Road Junction

On Saturday 8 June 2019 carriageway resurfacing works will be carried out by the City of London Corporation's contractor, JB Riney Limited, at the Aldersgate Street/Goswell Road junction (at the junction with Fann Street). These works have been programmed following discussions with the City of London Police, London Buses and the City of London's Environmental Health Officers.

The area in question will be closed to all vehicular traffic with local diversions in place. A plan of the works, together with the relevant dates and the times of working, is the on the reverse of this letter.

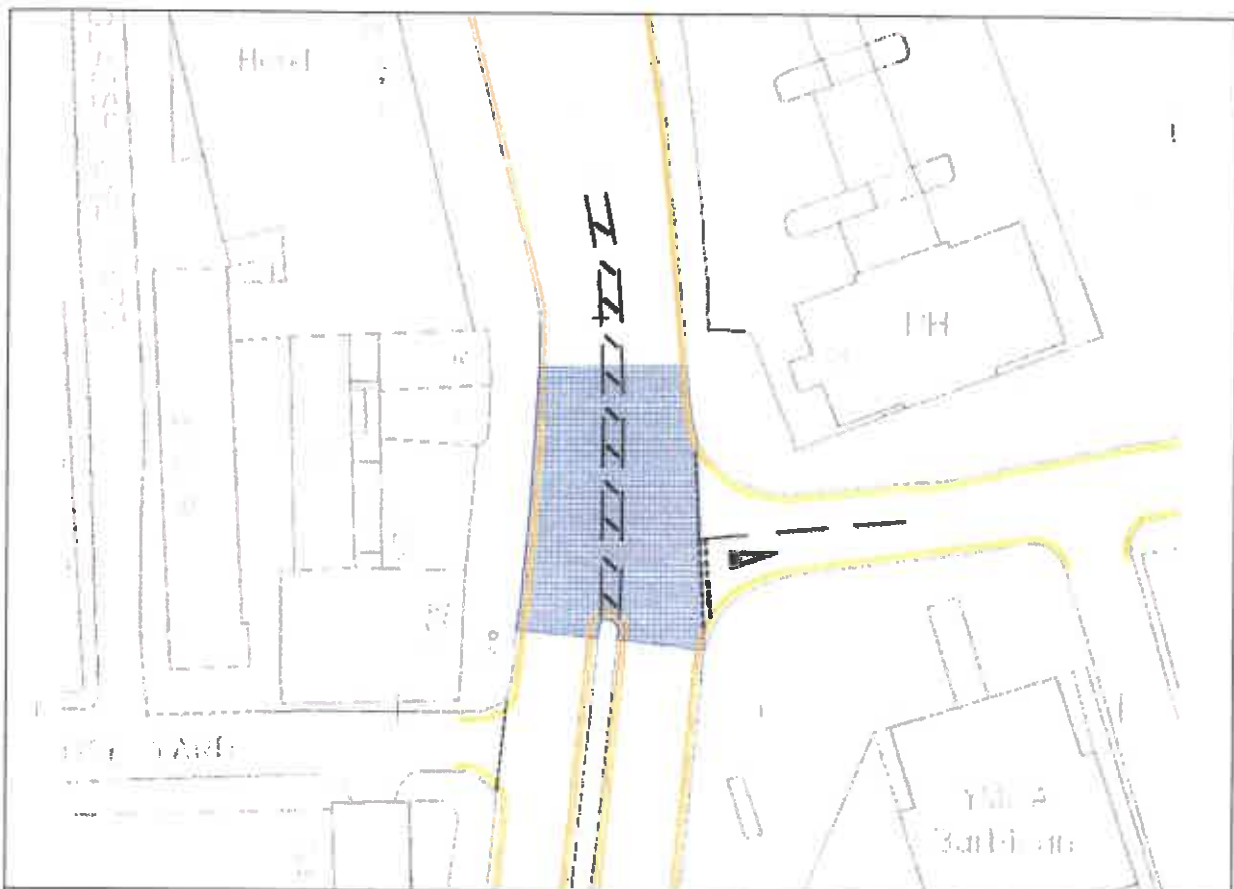

Our risk assessments have factored in weekday traffic and pedestrian movements hence it has been considered safer to carry out the works on a Saturday.

Every effort will be made to keep disturbance and disruption to a minimum. If you do have any queries regarding these works please contact me on the numbers listed above. Alternatively if you have any liaison queries please contact JB Riney's Public Relations officer Chris Jackman on 020 7332 1954 or 07720 092479 (email: [chris.jackman@cityoflondon.gov.uk](mailto:chris.jackman@cityoflondon.gov.uk)).

Thank you for your co-operation whilst these essential works are being undertaken.

Yours faithfully
