

Koori Curriculum/Pedagogy

On Country , Local Context, Experiences	Circular as opposed to linear, Iterative , revisit topics	Assessment – needs to be a journey, growth vs achievement, define success
Connections: to Country, Cross Curriculum all levels and subjects	Partnership , break down barriers, bring back balance	Experts – Elders, role of non-Koori educators, must have Koori educators, students as leaders, role models
Concept driven not content driven	Flexibility , Trust teachers, less prescriptive, Trust students	Safety , Structure, Empowerment, Caring
Resources , teacher confidence, proper funding for implementation	Who's knowledge is Valued , Shift in Values, Honour Culture	Deep Learning , Deep knowledge
Bilingual , Embed proper language , shared language, dialogue vs monologue	Innovation , new narrative	Layers of Governance , Community Control
Identity , Identity + Education = Success	No emotion no learning	Relationships , Patterning
Pride	Remove Urban, Remote and Rural divide	Teaching one turns into infinity = 2^n
